Canada’s Premier  
OE Automotive  
Event  
Now better than  
ever

The APMA Annual Conference and Exhibition is supported by our partners at the Canadian Association of Moldmakers (Camm) in close collaboration with the WindsorEssex Economic Development Corporation (WE EDC). The event will feature plenary and breakout sessions organized into specific topics and include presentations from companies offering innovative and disruptive new technologies ready to be revealed.

The event will also feature a dynamic Exhibition area focusing on state of the art Canadian capabilities, products, services, technologies and disrupting innovations providing a platform for innovators to reveal groundbreaking products and processes and give OE suppliers a window into how these innovations can help them.

With more than 500 attendees, including vehicle manufacturers, purchasing personnel and original equipment component suppliers and equipment providers, the APMA Conference and Exhibition serves as a unique place to meet and market to those most influential in the automotive industry.
