

You're Invited to Attend -

Windsor-Essex County Agri-Business & Food Showcase

This unique event will provide networking opportunities bringing together growers and processors from Essex County with buyers from major retailers, distributors and manufacturers from Canada and the US, including large US food processing companies looking for potential expansion into the Canadian market. This event will showcase Windsor Essex as a premier destination for these companies.

Who should attend:

- Greenhouse Operators
- Canneries
- Food Processors
- Specialty Growers
- Equipment Suppliers
- Bakeries
- and other businesses in the food industry

Local businesses will have an opportunity to network with the guests during the Thursday morning breakfast and networking session.

Seats are limited. Register before September 23, 2014
