Pupatello at Canada's National Manufacturing Event...Promoting Windsor Essex

Windsor and Essex County Region - Monday, September 30, 2013 - Sandra Pupatello is the *Opening Keynote* speaker to officially kick off the Canadian Manufacturers Technology Show taking place on Monday, September 30, 2013 at the International Centre in Mississauga, Ontario.

Sandra will be presenting "Manufacturing Matters" and will expand upon the essential role that manufacturing plays in establishing the economic well-being and health of a country.

As the CEO of the Economic Development Corporation of Windsor-Essex, Pupatello is using this opportunity to be certain all manufacturers know the opportunity for growth in our region.

"Manufacturing is the Wayne Gretzky of the nation's economy with the biggest multiplier, and manufacturing is the greatest strength of Windsor-Essex. This is the perfect venue to meet manufacturers that should know more about us!" stated **Sandra Pupatello, CEO of the WindsorEssex Economic Development Corporation.**

The Canadian Manufacturing Technology Show takes place from September 30, to October 3, 2013 at the International Centre in Mississauga, Ontario.
