

What We Do

The WindsorEssex Economic Development Corporation advances economic development and prosperity in our region. We are the region's lead economic development agency and a dedicated catalyst for business growth and expansion. We attract new businesses to our region, help strengthen existing businesses and support entrepreneurship in three key ways:

INFORMING

We provide the most current and relevant information and data on site selection, market research and available government funding.

GUIDING

We provide answers and advice on general business practices, expansion planning, multi-national branch planning and exporting, as well as training and educational resources.

CONNECTING

We help organizations cut through red tape and we connect them directly with key decision makers, potential partners and funders.
